FOR IMMEDIATE RELEASE

Edge Testing Solutions Ranked No.98 on the Sunday Times Hiscox Tech Track 100

One of the UK's fastest growing and largest independent software testing company, Edge Testing Solutions, is delighted to confirm it has been ranked at No. 98 on the 17th annual Sunday Times Hiscox Tech Track 100. The Sunday Times Hiscox Tech Track 100 league table ranks the UK's fastest growing tech companies.

Brian Ferrie, CEO and Founder of Edge Testing, said: *"For the second year running, we have been recognised as one of the fastest growing tech companies in the UK. These prestigious awards recognize the outstanding effort by the Edge team. We achieved our goal of exceeding £10m revenue by 2016 and are forecast to achieve another year of significant growth this year. We celebrate our 10th anniversary this month and, this award together with the growing team and healthy new business pipeline sets us up for an exciting period in the company."*

Since its inception in 2007, Edge Testing has had 10 years of growth, year on year with now over 250 people across the UK, and a new Digital Test Hub in Birmingham, and boasts some of the UK's premier testing thought leaders and experts.

In addition to the Tech Track recognition, Edge recently won the Large Business of the Year at ScotlandIS Digital Technology awards.

Company information

Edge Testing is a leading expert in providing world-class software testing solutions. The award-winning company is typically engaged when organisations are implementing a new system or making significant changes to an existing system. We ensure systems are fast, secure, available and work as expected in an increasingly complex and distributed digital age.

We test back office systems, e-commerce sites and apps. We test accessing these from multiple devices including desktops, laptops, tablets, touchscreens and smartphones from our purpose-built device lab.

Founded in 2007, Edge has grown to 250 people and boasts some of the UK's premier testing thought leaders and experts. Our own Edge Academy has brought over 60 newcomers into the industry in the past four years.

The company, which is listed on the Sunday Times Hiscox Tech Track 100, has quickly built up an excellent reputation with an enviable client list across financial services, telecommunications and media, utilities, retail and the public sector

The first Digital Test Hub by Edge Testing was launched in Scotland 2013 to provide low-cost, on demand services to the digital industry – the first of its kind in the UK. In 2017, based on the success of the first one, a second Digital Test Hub opened in England.

Edge Testing's Services Include:

Consulting, Test Management & Planning, Development Support Testing, Automated Testing, User Experience Testing, Functional Testing, Pre-approvals & Delivery, Performance Testing, Security Testing, Localisation Testing, Language Testing, Compliance Testing, Legal Testing & Monitoring.
