

## PRESS RELEASE

Issued: 13 September 2016

FOR IMMEDIATE RELEASE

### **Edge Testing Solutions Ranked No.68 on the Sunday Times Hiscox Tech Track 100**

One of the UK's fastest growing and largest independent software testing company, Edge Testing Solutions, are delighted to confirm they have been ranked at No. 68 on the 16th annual Sunday Times Hiscox Tech Track 100. The Sunday Times Hiscox Tech Track 100 league table ranks the UK's fastest growing tech companies.

Brian Ferrie, CEO and Founder of Edge Testing Solutions, said:

"It is very rewarding to see the hard work and dedication of the Edge team being recognised alongside the fastest growing tech companies in the UK. As we are about to enter our 10th year, our ambitious growth plans and evolving digital technology make it a very exciting place to work."

Since its inception in 2007, Edge Testing has had a growth of at least 40% year-on-year, with now over 150 people and boasts some of the UK's premier testing thought leaders and experts.

In recognition of his achievements, Brian was recently presented with the new, prestigious 'CEO of the Year Award' at the ScotlandIS Digital Technology Awards in April 2016 and the company has also recently been shortlisted as a finalist for the STF Awards in the category of 'Medium Employer of the Year.'

## **About Us**

Edge is a leading expert in providing world-class software testing solutions. We are typically engaged when organisations are implementing a new system or making significant changes to an existing system. We ensure systems are fast, secure, available and work as expected in an increasingly complex and distributed digital age.

We test back office systems, e-commerce sites and apps. We test accessing these from multiple devices including desktops, laptops, tablets, touchscreens and smartphones from our purpose built device lab.

Edge has quickly built up an excellent reputation with an enviable client list across financial services, telecommunications and media, utilities, retail and the public sector.

The Digital Test Hub by Edge Testing was launched in 2013 to provide low-cost on demand services to the digital industry – the first of its kind in the UK
